

EU-Safety Data Sheet according to Regulation No 1907/2006

BuuMsorb® FRAGRANCE-SPECIAL-GRANULATE and water stop

according to current guidelines: 01.01.2020

total pages: 3

1. Product- and Company Description / Trade Name

- **BuuMsorb® FRAGRANCE-SPECIAL-GRANULATE and water stop**
for the rapid absorption and containment of water, human, animal and other liquids on solid surfaces - with fresh scent

Manufacturer/ Supplier:

- BuuM Herstellung und Vertrieb
umwelttechnischer Produkte GmbH & Co. KG
Hamburger Str. 27 D
D-22952 Lütjensee

Information department/ Emergency phone:

- Office/ Sale
Phone 0049-4154-7351
Fax 0049-4154-75178

2. Composition / Information on Ingredients / Chemical Characterisation / Description

- BuuMsorb® DUFTI-SPECIAL consists of **calcium silicate, sodium polyacrylate and perfume**
Hazardous ingredients / CAS (Chemical Abstracts Service / Labeling Standard for Chemical Substances)

Material	mineral granules
• CAS 1344-95-2	calcium silicate with tobermorite structure
Additives	polymer
• CAS 9003-04-7	sodium polyacrylate
	Perfume oil for vomit WL Var. IV emulsified type / lavender - 31 761 / 0.4%
- European Inventory of Existing Commercial Chemical Substances
(Europäisches Verzeichnis der auf dem Markt vorhandenen chemischen Stoffe)
- Customs number 28399000 - silicates / 39069090 - polymer

3. Possible dangers

- Mineral granules and polymer - no special hazards known.
- **Minor constituents of the perfume oil mixture, in a mixing proportion of 0.004%**
Labeling according to Regulation (EC) No 1272/2008 is not applicable
(Classification, Labeling and Packaging of Substances and Mixtures)

4. First aid measures / General information

- "First Aid" not required
In the original state, the granules are not "dangerous goods".
- After inhalation: Fresh air supply, consult doctor in case of complaints
- After skin contact: wash off immediately with soap and water
- After eye contact: Rinse immediately under running water for several minutes
- Ingestion: Rinse mouth and drink plenty of water

5. Fire-fighting measures

- General notes: BuuMsorb® FRAGRANCE-SPECIAL-GRANULAT and water stop is not self-igniting.
- Suitable extinguishing media: water
- Resulting gases: ./.
- Special protective equipment: ./.

6. Accidental Release Measures

- Personal precautions: none
- Environmental precautions: none
- Procedure for cleaning / intake: none

7. Handling and storage / Note on safe handling

- Advice on safe handling: avoid dust and contact with skin and eyes
- Advice on protection against fire and explosion: no special measures required
- Storage: **store dry and UV protected**
- Requirements for storage rooms and vessels: none
- Storage Class: none

8. Exposure controls and personal protective equipment

- Additional information on the design of technical documents: ./.
- Ingredients with occupational exposure limits to be monitored: ./.
- CAS- No. : 1344-95-2
- Identification of the substance: Quartz (<20%)
- Art / Value / Unit: ./.
- Additional information: ./.
- Personal protective equipment: The usual precaution should be observed when handling chemicals.
Avoid prolonged skin contact.
- General protection and hygiene measures: Avoid unnecessary dust generation
- Respiratory protection: see item 4+ 7
- Hand protection: if necessary, protective gloves on prolonged contact
- Eye protection: ./.
- Body armor: ./.

9. Physical u. chemical properties

- Form: Granule
- Color: white
- Odor: perfumed
- Change of state: ./.
- Melting point / melting range: ./.
- Boiling point / boiling range: ./.

- Flash point: ./.
- Flammability: ./.
- Ignition temperature: ./.
- Self-ignitability: ./.
- Explosion limit: ./.
- Vapor pressure: ./.
- Density: 2.7 g / m³
- Solubility in / Miscibility with water: insoluble
- pH in delivery condition 9,5
- Solvent separation test: ./.

10. Stability and reactivity / thermal decomposition / conditions to be avoided

- Conditions to avoid: ./.
- Materials to avoid: ./.
- Hazardous decomposition products: ./.
- Additional information: none

11. Toxicological information

- Acute toxicity: ./.
- Irritation: prolonged inhalation of dust may cause coughing (mild respiratory irritation)

12. Ecological information / General information

- In the original state, no negative effects are known.
Product is not biodegradable.

13. Disposal note

- **BuuMsorb® FRAGRANCE-SPECIAL-GRANULATE and water stop**
after the absorption of dangerous liquids, disposal according to the EU Waste Catalog Ordinance (AVV) of 01.01.2002 under code no. 150 202 (absorbent and filter materials with harmful impurities).

14. Transport information

- In the original state, the granules are not "dangerous goods".

15. Regulations

- Labeling according to EC directives: not applicable

16. Other information

- The information is based on the current state of our knowledge and experience.
The listed information does not have the meaning of product property assurances.
The safety data sheet describes products with regard to safety requirements.

REACH Regulation

Registration, Evaluation, Authorization and Restriction of Chemical
(Registration, Evaluation and Authorization of Chemicals)

REACH registration is complete.
